§ 8004. Congregate services program

(a) Essential services for maintaining independent living

Congregate services programs assisted under this chapter must include full meal service adequate to meet nutritional needs, and may also include housekeeping aid, personal assistance, and other services essential for maintaining independent living.

(b) Duplication of services

No services funded under this chapter may duplicate services which are already affordable, accessible, and sufficiently available on a long-term basis to eligible project residents under programs administered by or receiving appropriations through any department, agency, or instrumentality of the Federal Government or any other public or private department, agency, or organization.

(c) Consultation with Area Agency on Aging or other appropriate State agency

A public housing agency or nonprofit corporation applying for assistance to provide congregate services to elderly residents shall consult with the Area Agency on Aging (or, where no Area Agency on Aging exists, with the appropriate State agency under the Older Americans Act of 1965 [42 U.S.C. 3001 et seq.]) in determining the means of providing services under this chapter and in identifying alternative available sources of funding for such services.

(d) Submission of proposed application to Area Agency on Aging or other appropriate State agency

Prior to the submission of a final application for either new or renewed funding under this chapter for the provision of congregate services to elderly residents, a public housing agency and a nonprofit corporation shall present a copy of a proposed application to the Area Agency on

Aging (or, where no Area Agency on Aging exists to the appropriate State agency under the Older Americans Act of 1965 [42 U.S.C. 3001 et seq.]) for review and comment. Such agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

(e) Nonelderly handicapped individuals as eligible project residents

(1) A public housing agency or nonprofit corporation applying for assistance to provide congregate services to nonelderly handicapped residents shall consult with the appropriate agency, if any, designated by applicable State law as having responsibility for the development, provision, or identification of social services to permanently disabled adults, for the purpose of determining the means of providing services under this chapter and of identifying alternative available sources of funding for such services.

(2) Such public housing agency and nonprofit corporation shall also, prior to the submission of a final application for either new or renewed funding under this chapter, present a copy of the proposed application to such appropriate agency for review and comment. The public housing agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

(f) Manner of providing congregate services

Any nonprofit corporation or public housing agency receiving assistance under this chapter may provide congregate services directly to eligible project residents or may, by contract or lease, provide such services through other appropriate agencies or providers.

(g) Amount of annual contributions of receiving agency

Nonprofit corporations and public housing agencies receiving assistance for congregate services programs under this chapter shall be required to maintain the same dollar amount of annual contribution which they were making, if any, in support of the provision of services eligible for assistance under this chapter before the date of the submission of the application for such assistance unless the Secretary determines that the waiver of this requirement is necessary for the maintenance of adequate levels of services to eligible project residents. If any contract or lease entered into by a public housing agency or nonprofit corporation pursuant to subsection (f) of this section provides for adjustments in payments for services to reflect changes in the cost of living, then the amount of annual contribution required to be maintained by such public agency or nonprofit corporation under the preceding sentence shall be readjusted in the same manner.

(h) Fees for meal and other services

Each nonprofit corporation and public housing agency shall establish fees for meal service and other appropriate services provided to eligible project residents. These fees shall be reasonable, may not exceed the cost of providing the service, and shall be calculated on a sliding scale re-

(i) Standards for provision of services

The Secretary shall establish standards for the provision of services under this chapter, and, in developing such service standards, the Secretary shall consult with the Secretary of Health and Human Services and with appropriate organizations representing the elderly and handicapped, as determined by the Secretary.

§ 8011. Revised congregate housing services program

(a) Findings and purposes

(1) Findings

The Congress finds that—

(A) the effective provision of congregate services may require the redesign of units and buildings to meet the special physical needs of the frail elderly persons and the creation of congregate space to accommodate services that enhance independent living;

(B) congregate housing, coordinated with the delivery of supportive services, offers an innovative, proven, and cost-effective means of enabling frail older persons and persons with disabilities to maintain their dignity and independence;

(C) independent living with assistance is a preferable housing alternative to institutionalization for many frail older persons and persons with disabilities;

(D) 365,000 persons in federally assisted housing experience some form of frailty, and the number is expected to increase as the general population ages;

(E) an estimated 20 to 30 percent of older adults living in federally assisted housing experience some form of frailty;

(F) a large and growing number of frail elderly residents face premature or unnecessary institutionalization because of the absence of or deficiencies in the availability, adequacy, coordination, or delivery of supportive services;

(G) the support service needs of frail residents of assisted housing are beyond the resources and experience that housing managers have for meeting such needs;

(H) supportive services would promote the invaluable option of independent living for nonelderly persons with disabilities in federally assisted housing;

(I) approximately 25 percent of congregate housing services program sites provide congregate services to young individuals with disabilities;

(J) to the extent that institutionalized older adults do not need the full costly support provided by such care, public moneys could be more effectively spent providing the necessary services in a noninstitutional setting; and

(K) the Congregate Housing Services Program, established by Congress in 1978, and similar programs providing in-home services have been effective in preventing unnecessary institutionalization and encouraging deinstitutionalization.

(2) Purposes

The purposes of this section are—

(A) to provide assistance to retrofit individual dwelling units and renovate public and common areas in eligible housing to meet the special physical needs of eligible residents;

(B) to create and rehabilitate congregate space in or adjacent to such housing to accommodate supportive services that enhance independent living;

(C) to improve the capacity of management to assess the service needs of eligible residents, coordinate the provision of supportive services that meet the needs of eligible residents and ensure the long-term provision of such services;

(D) to provide services in federally assisted housing to prevent premature and inappropriate institutionalization in a manner that respects the dignity of the elderly and persons with disabilities;

(E) to provide readily available and efficient supportive services that provide a choice in supported living arrangements by utilizing the services of an on-site coordinator, with emphasis on maintaining a continuum of care for the vulnerable elderly;

(F) to improve the quality of life of older Americans living in federally assisted housing;

(G) to preserve the viability of existing affordable housing projects for lower-income older residents who are aging in place by assisting managers of such housing with the difficulties and challenges created by serving older residents;

(H) to develop partnerships between the Federal Government and State governments in providing services to the frail elderly and persons with disabilities; and

(I) to utilize Federal and State funds in a more cost-effective and humane way in serving the needs of older adults.

(b) Contracts for congregate services programs

(1) In general

The Secretary of Housing and Urban Development and the Secretary of Agriculture (through Administrator of the Farmers Home Administration) shall enter into contracts with States, Indian tribes, units of general local government and local nonprofit housing sponsors, utilizing any amounts appropriated under subsection (n) of this section—

(A) to provide congregate services programs for eligible project residents to promote and encourage maximum independence within a home environment for such residents capable of self-care with appropriate supportive services; or

(B) to adapt housing to better accommodate the physical requirements and service needs of eligible residents.

(2) Term of contracts

Each contract between the Secretary concerned and a State, Indian tribe, or unit of general local government, or local nonprofit housing sponsor, shall be for a term of 5 years and shall be renewable at the expiration of the term, except as otherwise provided in this section.

(c) Reservation of amounts

For each State, Indian tribe, unit of general local government, and nonprofit housing sponsor, receiving a contract under this subsection,¹ the Secretary concerned shall reserve a sum equal to the total approved contract amount from the amount authorized and appropriated for the fiscal year in which the notification date of funding approval occurs.

(d) Eligible activities**(1) In general**

A congregate services program under this section shall provide meal and other services for eligible project residents (and other residents and nonresidents, as provided in subsection (e) of this section), as provided in this section, that are coordinated on site.

(2) Meal services

Congregate services programs assisted under this section shall include meal service adequate to meet at least one-third of the daily nutritional needs of eligible project residents, as follows:

(A) Supplemental nutrition assistance program benefits and agricultural commodities

In providing meal services under this paragraph, each congregate services program—

(i) shall—

(I) apply for approval as a retail food store under section 2018 of title 7; and

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

§ 8012. Hope for elderly independence

(a) Purpose

The purpose of this section is to establish a demonstration program to test the effectiveness

of combining housing certificates and vouchers with supportive services to assist frail elderly persons to continue to live independently. The demonstration program under this section shall terminate upon the expiration of the 5-year period determined by the Secretary.

(b) Housing assistance

In connection with this demonstration, the Secretary of Housing and Urban Development may enter into contracts with public housing agencies to provide not more than 1,500 incremental vouchers and certificates under sections 1437f(b) and 1437f(o) of this title. A public housing agency may not require that a frail elderly person live in a particular structure or unit, but the agency may restrict the program under this section to a geographic area, where necessary to ensure that the provision of supportive services is feasible. At the end of the demonstration period, the public housing agency shall give each frail elderly person the option to continue to receive assistance under the housing certificate or voucher program of the agency. In the demonstration, the Secretary may also provide for supportive services in connection with existing contracts for housing assistance under sections 1437f(b) and 1437f(o) of this title.

(c) Supportive services requirements and matching funding

(1) Federal, PHA and,¹ individual contributions

The amount estimated by the public housing agency and approved by the Secretary as necessary to provide the supportive services for the demonstration period shall be funded as follows:

(A) The Secretary shall provide 40 percent, using amounts appropriated under this section.

(B) The public housing agency shall ensure the provision of at least 50 percent from sources other than under this section.

(C) Notwithstanding any other provision of law, each frail elderly person shall pay 10 percent of the costs of the supportive services that the person receives, except that a frail elderly person may not be required to pay an amount that exceeds 20 percent of the adjusted income (as the term is defined in section 1437a(b)(5) of this title) of such person and the Secretary shall provide for the waiver of the requirement to pay costs under this subparagraph for persons whose income is determined to be insufficient to provide for any payment.

(D) To the extent that the limitation under subparagraph (C) regarding the percentage of income frail elderly persons may pay for services will result in collected amounts for any public housing agency of less than 10 percent of the cost of providing the services, 50 percent of such remaining costs shall be provided by the public housing agency and 50 percent of such remaining costs shall be provided by the Secretary from amounts appropriated under this section.

¹ So in original. The comma probably should precede “and”.

(2) Provision of services for entire demonstration

Each public housing agency shall ensure that supportive services appropriate to the needs of the frail elderly persons to be served under this demonstration are provided throughout the demonstration period. Expenditures for supportive services need not be made in equal amounts for each year, but may vary depending on the needs of the frail elderly persons assisted under this section. A public housing agency may use up to 20 percent of the Federal assistance provided for supportive services in each year of this demonstration and any amounts from any prior year in which the public housing agency did not use 20 percent of the available Federal assistance.

(3) Calculation of match

In determining compliance with paragraph (1)(B), an agency may include the value of such items as the Secretary determines to be appropriate, which may include the salary paid to staff to provide supportive services, if such items have a readily discernible market value.

(d) Applications

An application under this section shall be submitted by a public housing agency in such form and in accordance with such procedures as the Secretary shall establish. The Secretary shall require that an application contain at a minimum—

- (1) an application for housing assistance under section 1437f of this title, if necessary, and a description of any such assistance already made available that will be used in the demonstration;
- (2) a description of the size and characteristics of the population of frail elderly persons and of their housing and supportive services needs;
- (3) a description of the proposed method of determining whether a person qualifies as a frail elderly person (specifying any additional eligibility requirements proposed by the agency), and of selecting frail elderly persons to participate;
- (4) a statement that the public housing agency will create a professional assessment committee or will work with another entity which will assist the public housing agency in identifying and providing only services that each frail elderly person needs to remain living independently;
- (5) a description of the mechanisms for developing housing and supportive services plans for each person and for monitoring the person's progress in meeting that plan;
- (6) the identity of the proposed service providers and a statement of qualifications;
- (7) a description of the supportive services the public housing agency proposes to make available for the frail elderly persons to be served, the estimated costs of such services, a description of the resources that are expected to be made available to cover the portion of the costs required by subsection (c)(1) of this section;
- (8) assurances satisfactory to the Secretary that the supportive services will be provided for the demonstration period;

(9) the plan for coordinating the provision of housing assistance and supportive services;

(10) a description of how the public housing agency will ensure that the service providers are providing supportive services, at a reasonable cost, adequate to meet the needs of the persons to be served;

(11) a plan for continuing supportive services to frail elderly persons that continue to receive housing assistance under section 1437f of this title after the end of the demonstration period; and

(12) a statement that the application has been developed in consultation with the area agency on aging under title III of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq.] and that the public housing agency will periodically consult with the area agency during the demonstration.

(E) Under such delegated system, the Secretary shall retain the authority to approve rents and development costs and to execute a capital advance within 60 days of receipt of the commitment from the State or local agency. (C) the cost of special design features necessary to make the housing accessible to persons with disabilities;

(D) the cost of special design features necessary to make individual dwelling units meet the special needs of persons with disabilities;

(E) if the housing is newly constructed, the cost of meeting the energy efficiency standards promulgated by the Secretary in accordance with section 12709 of this title; and

(F) the cost of land, including necessary site improvement.

In establishing development cost limitations for a given market area, the Secretary shall use data that reflect currently prevailing costs of acquisition, construction, reconstruction, or rehabilitation, and land acquisition in the area. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) RTC properties

In the case of existing housing and related facilities from the Resolution Trust Corporation under section 1441a(c)² of title 12, the cost limitations shall include—

(A) the cost of acquiring such housing,

less than once annually to reflect changes in the general level of acquisition, construction, reconstruction, or rehabilitation costs.

(4) Incentives for savings

(A) Special project account

The Secretary shall use the development cost limitations established under paragraph (1) to calculate the amount of financing to be made available to individual owners. Owners which incur actual development costs that are less than the amount of financing shall be entitled to retain 50 percent of the savings in a special project account. Such percentage shall be increased to 75 percent for owners which add energy efficiency features which (i) exceed the energy efficiency standards promulgated by the Secretary in accordance with section 12709 of this title; (ii) substantially reduce the life-cycle cost of the housing; (iii) reduce gross rent requirements; and (iv) enhance tenant comfort and convenience.

(B) Uses

(5) Funds from other sources

An owner shall be permitted voluntarily to provide funds from sources other than this section for amenities and other features of appropriate design and construction suitable for supportive housing for persons with disabilities if the cost of such amenities is (A) not financed with the advance, and (B) is not taken into account in determining the amount of Federal assistance or of the rent contribution of tenants. Notwithstanding any other provision of law, assistance amounts provided under this section may be treated as amounts not derived from a Federal grant.

(6) Applicability of home program cost limitations

(A) In general

(B) Termination of tenancy

- (ii) by providing the tenant, not less than 30 days before such termination or refusal to renew, with written notice specifying the grounds for such action.

(C) Voluntary participation in services

A supportive service plan for housing assisted under this section shall permit each resident to take responsibility for choosing and acquiring their own services, to receive any supportive services made available directly or indirectly by the owner of such housing, or to not receive any supportive services.

The Secretary shall make available appropriate technical assistance to assure that applicants having limited resources, particularly minority applicants, are able to participate more fully in the program carried out under this section.

(2) Civil rights compliance

Each owner shall certify, to the satisfaction of the Secretary, that assistance made available under this section will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.], the Fair Housing Act [42 U.S.C. 3601 et seq.] and other Federal, State, and local laws prohibiting discrimination and promoting equal opportunity; and³

(3) Site control

(4) Notice of appeal

The Secretary shall notify an owner not less than 30 days prior to canceling any reservation of assistance provided under this section. Such appeal, including review by the Secretary, shall be completed not later than 45 days after the appeal is filed.

(5) Labor standards**(A) In general**

The Secretary shall take such action as may be necessary to insure that all laborers and mechanics employed by contractors and subcontractors in the construction of housing with 12 or more units assisted under this section shall be paid wages at rates not less than those prevailing in the locality involved for the corresponding classes of laborers and mechanics employed on construction of a similar character, as determined by the Secretary of Labor in accordance with sections 3141–3144, 3146, and 3147 of title 40.

(6) Use of project reserves

Amounts for project reserves for a project assisted under this section may be used for costs, subject to reasonable limitations as the Secretary determines appropriate, for reducing the number of dwelling units in the project. Such use shall be subject to the approval of the Secretary to ensure that the use is designed to retrofit units that are currently obsolete or unmarketable.
